

Magic Oceans

Bohol Whale Shark Interaction

The Philippines is one of the countries with the biggest Whale Shark populations and you can now experience an amazing interaction with these creatures in Bohol!

Just 60km from Magic Oceans, you can dive/snorkel with the Whale Sharks and appreciate these gentle giants in their natural environment.

Magic Oceans wants you to be able to admire these beautiful creatures in their habitat, but we also want to make sure these creatures are not harmed in any way and maintain their normal migratory patterns.

Anda, Bohol
